

WeShare Affiliate Agreement

This Affiliate Agreement ("Agreement") is entered into between **OrenGen Worldwide LLC**, a Texas limited liability company ("Company"), and the individual or entity completing registration as a WeShare Affiliate ("Affiliate"). By registering, Affiliate agrees to be bound by all terms herein.

1. Appointment

Company appoints Affiliate as a non-exclusive independent marketing representative for the purpose of referring potential customers to Company's OrenGen website-build and maintenance services. Affiliate accepts this appointment and agrees to perform referral activities in compliance with this Agreement.

2. Program Overview

WeShare is Company's affiliate marketing program. Affiliates earn commissions by sharing their unique referral link. When a referred visitor becomes a paying customer, the Affiliate earns a commission based on their current rank.

Products Covered: OrenGen professional business website packages — Standard (\$997 setup + \$247/mo), Professional (\$2,497 setup + \$497/mo), and Premium (\$4,997 setup + \$997/mo).

3. Commission Structure

Rank	Lifetime Sales Required	Setup Commission	Monthly Residual	Residual Duration
 Catalyst	0 (entry)	10% of gross setup fee	5% of monthly fee	12 months
 Builder	3 qualified sales	15% of gross setup fee	5% of monthly fee	24 months

 Architect	10 qualified sales	20% of gross setup fee	7.5% of monthly fee	For life of client
 Sovereign	25 qualified sales	25% of gross setup fee	10% of monthly fee	For life of client

3.1 Army Builder Override Commissions

- **Builder:** 5% of recruited affiliates' setup commissions (12 months from each recruit's first sale)
- **Architect:** 5% of recruited affiliates' setup commissions (24 months from each recruit's first sale)
- **Sovereign:** 5% of recruited affiliates' setup commissions (for life) + 2.5% of recruited affiliates' residual commissions (for life)

Overrides are earned only on verified customer sales made by recruited Affiliates. Recruiting itself pays nothing. Overrides are one level deep — recruits' recruits belong to the recruit.

3.2 Bonuses

- **Fast Start Bonus:** \$50 for completing first qualified sale within 14 days of registration.
- **Rank Milestone Bonuses:** \$100 at Builder · \$500 at Architect · \$1,500 at Sovereign (one-time, automatic).

3.3 Rank Advancement

Rank promotions are permanent, apply immediately upon achieving the qualifying sale, and apply to all future sales. Promotions are never reversed. Rates are locked per deal at time of close; rank-ups do not retroactively alter prior deals.

4. Attribution

Referral credit is assigned as follows: (a) Affiliate's unique link tags visitors for 90 days via cookie; (b) once a tagged visitor submits a lead form, credit locks permanently to that Affiliate regardless of subsequent clicks; (c) before lead-lock, last click wins; (d) self-referrals, house leads, and prohibited traffic do not qualify for credit.

5. Payment Terms

- **Schedule:** Weekly, every Friday. Earnings from the prior week are processed and transferred each Friday.
- **Method:** Stripe Connect (Affiliate must complete Stripe onboarding; no Connect = no payout release).
- **Minimum:** \$25. Balances below minimum roll forward to next payment date.
- **First Payout Hold:** Initial payout may be held up to 14 days for identity verification.
- **Clawback:** Customer refund within 30 days of purchase reverses corresponding commission as a negative ledger entry on the next payout cycle.

- **Taxes:** Affiliate is an independent contractor. Stripe issues Form 1099 annually where required. Affiliate is solely responsible for tax obligations.

6. Affiliate Conduct — Required

1. **FTC Disclosure:** Any promotion must clearly disclose the affiliate relationship (e.g., "#ad," "I earn commissions if you buy through my link"). This is a legal requirement, not optional.
2. **Accurate Claims:** Use only Company-published figures. Always include the earnings results-vary disclaimer included in the Ad Copy Pack. Never guarantee or imply guaranteed income.
3. **One Account:** One account per individual or entity. Accurate registration information required at all times.

7. Affiliate Conduct — Prohibited

The following result in immediate account suspension and forfeiture of unpaid commissions:

- Spam of any kind — bulk unsolicited email, SMS, or DMs violating platform rules or applicable law (CAN-SPAM, TCPA)
- Paid search bidding on "OrenGen," "WeShare," or confusingly similar terms; use of Company trademarks in domain names, handles, or branded ad copy
- Cookie stuffing, forced clicks, iframe embedding, deceptive link cloaking
- Self-referrals, fake leads, incentivized or purchased form fills
- Misrepresenting the offer, pricing, delivery, or Company's capabilities
- Promoting on content involving illegal, hateful, adult, or otherwise objectionable material

8. Army Builder Recruiting Rules

- Recruiting rights unlock at Builder rank (3 qualified sales).
- Joining WeShare is always free. Affiliate may never charge, collect fees from, or accept payment from recruits.
- Recruits are referred using Affiliate's link pointed at the WeShare registration page.
- Override earnings require recruits to make genuine customer sales — recruiting alone earns nothing.

9. Enforcement

Strike System (minor violations): Written notice + 7-day cure period. Three uncured strikes = termination.

Immediate Termination (no strikes): Fraud, fake leads, self-referrals, spam, trademark abuse, charging recruits.

Effect of Termination: For-cause termination forfeits all unpaid and future commissions. Termination without cause (program discontinuation or material change) triggers payout of all earned commissions on the next scheduled cycle.

10. Disputes

Commission or attribution disputes must be filed via the dashboard within 30 days of the relevant statement date. Company will audit the ledger and issue a written ruling within 5 business days.

11. Independent Contractor Relationship

Affiliate is an independent contractor. Nothing in this Agreement creates an employment, joint venture, or partnership relationship. Affiliate has no authority to bind Company contractually.

12. Intellectual Property

Company grants Affiliate a limited, revocable, non-exclusive license to use Company-provided marketing materials solely for approved promotion activities. Affiliate may not create derivative works of Company branding without prior written approval.

13. Confidentiality

Affiliate will not disclose Company's commission rates (beyond what appears in approved marketing), program internals, or customer data to any third party.

14. Limitation of Liability

Company's total liability to Affiliate shall not exceed commissions actually paid to Affiliate in the 90 days preceding any claim. Company is not liable for indirect, incidental, or consequential damages. Company makes no guarantee of earnings or results.

15. Program Changes

Company reserves the right to modify this Agreement with 14 days' written notice. Changes do not reduce commissions already earned on closed deals. Continued participation after notice constitutes acceptance. For material adverse changes, Affiliate may terminate within the notice period with full payout of earned commissions.

16. Governing Law

This Agreement is governed by the laws of the State of Texas without regard to conflict-of-law principles. Any dispute not resolved through the dispute process above shall be submitted to binding arbitration in Tarrant County, Texas under AAA Commercial Rules.

17. Entire Agreement

This Agreement, together with the Program Terms of Service and Privacy Policy (each incorporated by reference), constitutes the entire agreement between the parties regarding the WeShare Affiliate Program.
