WeShare Sales Partner Handbook

You are a 100% commission closer for OrenGen Worldwide. We hand you the leads, the scripts, the CRM, and a company number. You run the conversations and close. We build, deliver, and support everything after. This handbook is the complete operating manual.

1 · The Offer You Sell

Professional business websites — new build or rebuild. Pricing is fixed. You never negotiate or discount without written leadership approval. All payments through OrenGen's official checkout only.

Package	Setup Fee	Monthly Maintenance
Standard	\$997	\$247/month
Professional	\$2,497	\$497/month
Premium	\$4,997	\$997/month

2 · Your Compensation

25% of setup fee + 25% of monthly maintenance — for life of every client you close.

Package	Setup Commission (25%)	Monthly Commission (25%)
Standard	\$249.25 per close	\$61.75/mo for life
Professional	\$624.25 per close	\$124.25/mo for life
Premium	\$1,249.25 per close	\$249.25/mo for life

Key rules:

- Commission is earned when the client's payment clears — not on signature or verbal commitment.

- If a WeShare referral partner sourced the lead, their commission comes from OrenGen's share. Your rates never change.
- Clawback: client refund within 30 days reverses the setup commission as a negative ledger entry on your next payout.
- Residuals are payment-driven: client misses a month → that month doesn't pay. Save the client, save the income.

3 · Getting Paid

- **Schedule:** Weekly, every Friday. Prior week's approved commissions transfer each Friday.
- **Method:** Stripe Connect — required. No Connect account = no payout release.
- **Minimum:** \$25 rolls forward.
- **Taxes:** You are an independent contractor. Stripe issues your 1099 annually.

4 · Partner Leader — Earned, Not Applied For

Partner Leader is an internal promotion for high-performing Sales Partners. It is never offered at signup and is not available to Referral Partners. Leaders are personally selected and promoted by OrenGen leadership based on consistent performance, coaching ability, and trust.

Leader earnings: Your full 25%/25% Sales Partner rates, PLUS 5% team setup override + 5% team residual override on every Partner you sponsor.

5 · Onboarding SOP

1. Apply → screening interview (curated roster, not an open door).
2. Sign the Sales Partner Agreement + complete W-9 / Stripe Connect.
3. Provisioning: CRM seat (GoHighLevel), assigned OrenGen phone number, script library, objection guide.
4. Certification: one recorded role-play close with OrenGen leadership. Pass = leads unlock.
5. First leads assigned. You're live.

6 · Lead Lifecycle SOP

1. **Assignment** — leads appear in your CRM pipeline with source tag (house / referral partner / self-sourced).
2. **First touch within 4 business hours.** Speed is the single biggest close-rate lever.
3. **Cadence:** minimum **6 touches across 10 business days** — call, voicemail, SMS, email, mixed. Use the scripts.

4. **Status discipline:** every lead sits in exactly one stage — New → Contacted → Appointment → Proposal → Won / Lost / Nurture. Update same day, every day.
5. **Recycle rules:** no first touch in 48 hours → lead returns to pool. No activity for 7 days → recycled. Recycled leads carry no commission claim.
6. **Close:** send the official OrenGen checkout link. Never collect payment any other way.
7. **Handoff checklist (same day as close):** client name, business, domain status, design notes, and expectations call booked with fulfillment. Clean handoffs protect your residual.

7 • Sales Call Rules

- Sell from the approved scripts and claims sheet. You may flex tone and order — never facts.
- **No discounts, freebies, or custom terms** without written leadership approval.
- Never promise delivery dates, features, or outcomes beyond the approved claims sheet.
- Set the maintenance expectation on every close — the client must understand and expect their monthly fee.

8 • Communication Compliance

- Contact prospects **only between 8:00 AM and 9:00 PM in the prospect's local time.**
- **Honor every opt-out instantly** — mark in CRM same day. Permanent.
- Use your **assigned OrenGen number** for all prospect calls/texts — never your personal line.
- No purchased lists, no auto-dialers, no bulk SMS blasts.
- If a call is recorded, follow the disclosure script.

9 • CRM Hygiene

Same-day logging of every touch. Required fields on every won deal: opportunity value, contact info verified, Stripe customer ID, source tag. Your CRM record is the system of record for your commissions. If it isn't logged, it didn't happen.

10 • Conduct & Integrity

- **Clients belong to OrenGen.** Steering or diverting any client or lead = immediate termination + forfeiture + clawback.
- No off-platform payments, side deals, or personal upsells to OrenGen clients.
- You may not sell competing services to any OrenGen-provided lead or client.
- Lead data, scripts, pricing strategy, and program internals are OrenGen property. Exports prohibited.
- Represent OrenGen professionally on every call.

11 · Residuals After Leaving

- **Good-standing exit:** your lifetime residuals on every client you closed continue. You earned them.
- **Termination for cause:** forfeits unpaid and future commissions.
- Inactive 60+ days → lead assignments pause; residuals are untouched.

12 · Enforcement & Disputes

Strike system for minor breaches (CRM neglect, cadence misses): written strike + cure period; three strikes = removal from lead rotation, then termination. Compliance and integrity violations skip strikes.

Disputes: file via dashboard within 30 days; ledger-traced ruling in writing within 5 business days.
