

WeShare Affiliate Handbook

Welcome to WeShare. You share OrenGen's website offer with businesses that need it. When they become paying clients, you get paid — upfront and every month they stay. This handbook is the complete rulebook. Read it once; it protects your money.

1 · How You Earn

OrenGen offers three professional website packages. Your commission rate is the same regardless of which package the client chooses — it's applied to the package's actual setup fee and monthly fee.

Package	Setup Fee	Monthly Fee
Standard	\$997	\$247/mo
Professional	\$2,497	\$497/mo
Premium	\$4,997	\$997/mo

Your cut depends on your rank:

Rank	Lifetime Sales	Setup Commission	Monthly Residual	Residual Duration
 Catalyst	Entry	10% of setup fee	5% of monthly fee	12 months
 Builder	3	15% of setup fee	5% of monthly fee	24 months
 Architect	10	20% of setup fee	7.5% of monthly fee	For life
 Sovereign	25	25% of setup fee	10% of monthly fee	For life

Example: Closing a Professional package at Architect rank

- Setup commission: $20\% \times \$2,497 = \text{\$499.40}$
- Monthly residual: $7.5\% \times \$497 = \text{\$37.28/mo for life}$

Rules that make WeShare different:

- You can never lose your rank — promotions are permanent.

- Fast Start Bonus: +\$50 if your first sale lands within 14 days of joining.
- Milestone bonuses: \$100 at Builder · \$500 at Architect · \$1,500 at Sovereign (one-time, automatic).
- Residuals are payment-driven: client churns → that residual stops.
- Rates lock per deal at close — rank-ups apply to future deals only.

2 · Getting Started (Onboarding SOP)

1. **Apply** at weshare.orengen.io — free, 2 minutes, no purchase ever required.
2. **Approval** — most applications clear within 1 business day.
3. **Connect payouts** — complete Stripe onboarding from your dashboard (how we pay you and issue your 1099). No Stripe setup = no payouts released.
4. **Grab your link** — your default link is live immediately. Create unlimited campaign links from the dashboard.
5. **Share it** using the Ad Copy Pack and creatives in your dashboard.
6. **Track everything** — clicks, leads, sales, rank progress, and pending money update in real time.

3 · Daily Operating Playbook

Your only job: put your link in front of business owners who need a website (new businesses, outdated sites, no mobile presence, no booking/payments online).

Proven plays: local business Facebook groups (where rules allow), your own social content, DMs to businesses with weak websites, email to your network, business networking events with your QR code, content/SEO posts.

A working rhythm: 10 meaningful shares or conversations per day. Volume → leads → our partners close them → you get paid.

You **never sell, quote, or invoice**. Send traffic; OrenGen's sales partners and checkout do the rest.

4 · Attribution Rules

- Your link tags the visitor for **90 days**.
- When they submit a form, the lead is **locked to you permanently**.
- Before lock, last click wins.
- **What never counts:** your own purchases, house leads, fake/incentivized fills, prohibited traffic.

5 · Getting Paid

- **Schedule:** Weekly, every Friday. Earnings from the prior week process each Friday.
- **Minimum:** \$25 — smaller balances roll forward automatically.

- **First payout** held up to 14 days for verification. Every payout after is automatic.
- **Clawbacks:** client refund within 30 days reverses the matching commission as a negative ledger entry.
- **Taxes:** you're an independent contractor. Stripe issues your 1099 at year end.

6 · Program Rules

Required:

1. Disclose your affiliate relationship in every promotion (FTC law — "#ad" or "I earn commissions from OrenGen").
2. Income claims: use only OrenGen-published figures, always with the results-vary disclaimer from the Ad Copy Pack.
3. One account per person. Accurate information at all times.

Prohibited (account termination):

- Spam of any kind (bulk unsolicited email/SMS/DMs)
- Paid search bidding on "OrenGen," "WeShare," or misspellings; trademark use in domains or handles
- Cookie stuffing, forced clicks, iframes, deceptive link cloaking
- Self-referrals, fake leads, incentivized form fills
- Misrepresenting the offer, pricing, or what OrenGen delivers
- Promoting on illegal, hateful, or adult content

7 · Army Builder Rules (Recruiting Affiliates)

- Unlocks at **Builder rank** (3 sales) — earn first, then lead.
- Overrides pay only on your recruits' real customer sales — recruiting itself pays \$0.
- One level deep only.
- Joining is always free — never charge or accept anything from a recruit.

8 · Partner Leader — Earned, Not Applied For

Partner Leader is an internal promotion available only to Sales Partners. It is not connected to the Affiliate program and is never offered at signup. If you are promoted, you will be contacted directly by OrenGen leadership.

9 · Enforcement

- **Strike system:** minor violations = written strike + 7 days to cure. Three strikes = termination.

- **Instant termination:** fraud, fake leads, self-referrals, spam, trademark abuse, charging recruits.
- Termination for cause forfeits unpaid and future commissions.
- Termination without cause pays out all earned commissions.

10 · Disputes & Support

File any payout or attribution dispute via the dashboard within **30 days** of the statement date. We audit the ledger and rule within **5 business days**.
