

Sales Partner Commission & Operating Agreement

OrenGen Worldwide LLC · Effective June 2026 · v1.1

WeShare Sales Partner Agreement

This Sales Partner Agreement ("Agreement") is between **OrenGen Worldwide LLC** ("Company") and the individual named at registration as a WeShare Sales Partner ("Partner"). By completing registration and onboarding, Partner agrees to all terms.

1. Appointment

Company appoints Partner as a non-exclusive independent sales representative authorized to present and sell Company's OrenGen website packages to qualified prospects. All sales are made on Company's behalf using Company-approved materials, pricing, and checkout systems.

2. Products & Pricing

Package	Setup Fee	Monthly Maintenance
Standard	\$997	\$247/month
Professional	\$2,497	\$497/month
Premium	\$4,997	\$997/month

Pricing is fixed. Partner may not negotiate, discount, or alter pricing without prior written authorization from Company leadership.

3. Commission Structure

Partner earns 25% of setup fee + 25% of monthly maintenance fee for the life of every client closed.

Package	Setup Commission (25%)	Monthly Commission (25%)
Standard	\$249.25	\$61.75/mo

Professional	\$624.25	\$124.25/mo
Premium	\$1,249.25	\$249.25/mo

3.1 Partner Leader Override (Internal Promotion Only)

Partner Leaders are promoted internally by Company leadership based on demonstrated performance and leadership capacity. Partner Leaders earn an additional 5% team setup override and 5% team residual override on their sponsored Partners' commissions. This tier is not available at signup and is not offered to Affiliates.

3.2 Payment Conditions

- Commissions are earned when the client's payment clears Company's payment processor — not on signature or verbal commitment.
- If a WeShare affiliate sourced the lead, the affiliate's commission is paid from Company's margin. Partner's 25%/25% rates are never reduced due to affiliate attribution.
- Clawback: client refund within 30 days reverses the corresponding setup commission as a negative ledger entry on Partner's next payout. Residual commissions for the refunded month are also reversed.
- Residuals are payment-driven: if a client misses a month or churns, that month's residual is not earned. Saving the client saves the income.

4. Payment Terms

- **Schedule:** Weekly, every Friday. Prior week's approved commissions are processed and transferred each Friday.
- **Method:** Stripe Connect (required; no Connect account = no payout release).
- **Minimum:** \$25. Amounts below minimum roll forward.
- **Taxes:** Partner is an independent contractor. Stripe issues Form 1099 annually. Partner is solely responsible for all tax obligations.

5. Onboarding Requirements

Partner must complete all of the following before receiving leads:

1. Screening interview with Company leadership
2. Execution of this Agreement
3. Completion of W-9 and Stripe Connect onboarding
4. Satisfactory completion of certification role-play close (recorded)
5. CRM seat provisioning and training acknowledgment

6. Sales & Lead Management Obligations

- **First Touch:** Contact every assigned lead within 4 business hours of assignment.
- **Cadence:** Minimum 6 meaningful touches across 10 business days per lead (call, voicemail, SMS, email — per CRM scripts).
- **CRM Discipline:** Update every lead's status same-day. Log every touch. Required fields: opportunity value, contact info, Stripe customer ID (on close), source tag.
- **Recycling:** No first touch within 48 hours → lead returns to pool with no commission claim. No activity for 7 days on open lead → recycled.
- **Checkout:** All payments collected exclusively through OrenGen's official checkout link. Partner may never collect payment independently.
- **Close Handoff:** Same-day handoff to fulfillment with complete client brief and expectations call booked.

7. Communication Compliance

- Contact prospects only between 8:00 AM and 9:00 PM in the prospect's local time zone.
- Honor all opt-outs immediately and permanently. Log in CRM same day.
- Use only the assigned OrenGen phone number for all prospect contact — never a personal line.
- No purchased lists, auto-dialers, or bulk messaging of any kind.
- Follow call-recording disclosure requirements for each applicable jurisdiction.

8. Conduct & Integrity

- Clients belong to Company. Steering, soliciting, or diverting any OrenGen client or lead to Partner personally or to a third party results in immediate termination, forfeiture, and clawback of related commissions.
- No off-platform payments, side deals, or personal upsells to OrenGen clients or leads.
- Partner may not sell competing website or maintenance services to any lead or client provided by Company.
- Lead data, scripts, pricing strategy, and program internals are Company's confidential property. Data exports are prohibited.
- Partner represents Company professionally on every call and in every communication.

9. Residuals Upon Separation

- **Good-standing exit** (voluntary resignation or program wind-down): lifetime residuals on Partner's closed clients continue as promised and are paid weekly.
- **Termination for cause** (fraud, circumvention, compliance breach): forfeits unpaid commissions and all future residuals.
- Partner inactive 60+ days: lead assignments pause; residuals are unaffected.

10. Independent Contractor

Partner is an independent contractor. No employment, partnership, or joint venture relationship exists. Partner provides own tools unless Company specifically grants CRM/phone access. Partner controls own schedule and methods within Company guidelines. Company is responsible for withholding no employment taxes on Partner's behalf.

11. Enforcement

Strike System (minor violations — CRM neglect, cadence misses, minor script departures):

Written notice + cure period. Three strikes = removal from lead rotation, then termination.

Immediate Termination: Fraud, circumvention, compliance breach (§7, §8).

12. Limitation of Liability

Company's aggregate liability to Partner shall not exceed commissions paid in the 90 days preceding any claim. Company makes no guarantee of lead quality, volume, or Partner's earnings.

13. Governing Law & Arbitration

Governed by Texas law. Disputes not resolved through Company's dispute process are submitted to binding arbitration in Tarrant County, Texas under AAA Commercial Rules, on an individual basis (no class actions).

14. Entire Agreement

This Agreement, the Independent Contractor Agreement, the Program Terms of Service, and the Privacy Policy (all incorporated by reference) constitute the complete agreement regarding the WeShare Sales Partner Program.
